

Thoroughly pleased with the support and care that the school extends to all the parents. The School is constantly receptive to the suggestions of the parents. We are proud of our association with Holy Sai - Parent

An enchanting secure, happy haven which ensures my growth and smooth positive productivity.

-Mrs. Arthi (Teacher)

We are happy to see our daughter progressing well and enjoying her school a lot . She likes her class teacher and we are really thankful to the school.

About us

Holy Sai International School, is affiliated to University of Cambridge offering IGCSE (International General Certificate of Secondary Education) curriculum from Pre.KG - Grade 10. The school offers an excellent educational experience since 2007 providing a range of opportunities for all students to develop as responsible young adults. We proudly march into the eleventh academic year securing good results in Grade X board exams from 2013-14 batch onwards.

Teaching Methodology

Learning and teaching is the central activity of the school focusing on the child's unique potential both inside and outside the classroom, supported by varied and challenging curriculum. The school promotes a holistic approach to education. Students are engaged in intellectual, physical, moral and social learning experiences that enable them to realise their full potential and manage their own learning.

The facilitative and structured learning methodology uses debates, quizzes, discussions and experiments that make students think, learn and explore.
